April 2020, Pasadena, CA

Santa Barbara City College / Associate of Arts
July 2016, Santa Barbara, CA

EXPERIENCE

Art Center College of Design / Prop room worker/supervisor
September 2016-Present

We assist the models and instructors in setting up the classrooms according to their specifications, as well as clean up unused classes. We deal with students asking to check objects out and instructors when they need help finding items.

Art Center College of Design / Teaching Assistant for Character Design
Summer 2019

Worked with students to make sure they understood the material for that day and if they needed any other help with their work. Helped Adam Dix with setting up the class and evaluating the students.
